

2. How do I look for a facility?

Thru.de offers you a number of different ways to locate a facility. By selecting "Facilities" in the blue-coloured menu you can choose:

- Map
- Search
- Proximity search
- Emissions in short

to search for and find a specific facility according to a number of different characteristics.

Tips on the various ways to do a search are:

- Map: useful pointers
- Search: useful pointers
- Proximity search: useful pointers
